An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

- a) Claim 14, line 2, delete "rotate".

The following is an examiner's statement of reasons for allowance: Regarding claim 1, there is no motivation for modifying the embodiment illustrated in figures 7A and B in USP 5,322,792 to include longitudinal ribs extending inwardly from the sidewall. The prior art of record fails to teach or suggest an "agitator" as defined in claim 45 in combination with the other elements of the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to David A. Redding whose telephone number is 571-272-1276. The examiner can normally be reached on Mon.-Fri. 6:00 - 3:00.
